Application For Membership

As an Applicant to a unified medical society (one which requires membership in the MSMA as a condition of membership), personal and professional information required by the MSMA will be addressed on the reverse side of this application.

“The purpose of St. Charles/Lincoln County Medical Society is to promote the science and art of medicine and bring into one organization, the physicians of St. Charles-Lincoln County; so that by social intercourse, frequent meetings, and full and frank interchange of views, they may secure such intelligent unity and harmony in every phase of their labor as will elevate the profession and make effective the opinions of the profession in all scientific, legislative, public health, material and social affairs, to the end that the profession may receive that respect and support within its own ranks and from the community to which its honorable history and great achievement entitle it. ”

As an applicant to the St. Charles/Lincoln County Medical Society, I do hereby support the purpose of this organization to the best of my ability:
